Gentlemen:

The Agency has previously informed you of apparent violation(s) and non-compliance with the Illinois Environmental Protection Act and the Rules and Regulations adopted thereunder. The apparent violation(s) were set forth in the Compliance Inquiry letter of April 12, 1989. Your response to date has not been received.

As a result of this/these apparent violation(s), it is our intent to refer this matter to the Attorney General's Office for the filing of a formal complaint.

Prior to taking such action, however, you are requested to attend a Pre-Enforcement Conference to be held at the Illinois EPA Regional Office, 1701 South First Avenue, Suite 600, Maywood, Illinois. The purpose of this conference will be 1) to discuss the validity of the apparent violation(s) noted by agency staff, and 2) to arrive at a program to eliminate existing and/or future violation(s). You should, therefore, bring such personnel and records to the conference as will enable a complete discussion of the above items. We have scheduled the conference for Wednesday, November 15, 1989 at 9:30 a.m. If this arrangement is inconvenient, please contact Carol Graszer at 312/345-9780 to arrange for an alternative date and time. Please confirm your attendance at the conference by calling the same number. In addition, please inform Ms. Graszer of the trust number to this property.

In addition, please be advised that this letter constitutes the notice required by section 31(d) of the Illinois Environmental Protection Act prior to the filing of a formal complaint. The cited section of the act requires

the agency to inform you of the charges which are to be alleged and offer you the opportunity within thirty (30) days of this notice date in an effort to resolve such conflicts which could lead to the filing of formal action.
